St. Luke's Church, Orchards

St. Luke's seeks to build God's Kingdom by helping believers to develop a *covenant relationship* with God—Father, Son and Holy Spirit—that will enrich our daily lives and equip us for service to others

Building a Holy Community

"I came to bring fire" said Jesus. This is probably not your favourite image of him. But Jesus did cause division between people - division between those who follow him and those who don't.

St Luke's has for a very long time been seen as a vibrant Christian community. This is a strength we should build on in an increasingly divided world.

Christian values of love, justice and holiness are the essence of how Christians should live their lives. They are not easy to live by and we need to love and support each other as we learn about Christ and grow in him. This is discipleship.
