St. Luke's Church, Orchards

St. Luke's seeks to build God's Kingdom by helping believers to develop a *covenant relationship* with God—Father, Son and Holy Spirit—that will enrich our daily lives and equip us for service to others

Travelling Light

Jesus made it clear that He is offering us a choice that does not involve 'both-and.'

He taught that we cannot have two Masters – we need to choose one.

He affirmed in the Great Commandment that we cannot have two Lovers.

And He did not come to offer us two lives, but one eternal life starting here and now.

Until we make the choice, and invest our lives fully in the One great Love, we will be our own worst enemy, juggling our way through two lives – the one focussed on us and the other on the Lord. Neither will prove to be satisfying.

When we allow Him to be our priority then things begin to fall into shape. Our lives have a future and a purpose that can be expressed here and now.

Think about this

We are the feet and hands of the body of Christ and the body only functions properly when every part is doing its bit!

We need hands and feet at the Evening Service particularly

We need ... Welcomers, Chalice bearers, projectionists, people to do hospitality ...

Please speak to Helen or Shirley if you would like to be involved.
