## St Luke's Day 2017 – Real Radical Transformation

Today is our birthday! There has been a  
Christian community worshipping  
continuously on the site for 111 years.

Over the years this community has  
gloried in the joy of worshipping God  
through good times and bad, the latter of  
which included the pain of two world  
wars, the Great Depression and the  
horrors of apartheid.

Through all this we have survived and  
thrived as a community because so many  
have been deeply and radically  
transformed by Christ to build his  
kingdom here.

This year we are honoured to welcome  
our bishop, the Right Reverend Dr Steve  
Moreo as our preacher and celebrant.

David .

Let me tell you about the time that God brought me back from the dead, and other amazing miracles that have happened in my life ; all true life God interventions. I want to share this with you, the St Luke's community that has meant so much to me and prayed for me over the last 38 years. At this stage of my life I can see a thread that the Lord has been busy weaving for many years.

The future is exciting!
