St. Luke's Church, Orchards

St. Luke's seeks to build God's Kingdom by helping believers to develop a *covenant relationship* with God—Father, Son and Holy Spirit—that will enrich our daily lives and equip us for service to others

The God who heals

Scripture makes it quite clear that our God is a God with both the power and the will to bring healing, comfort and strength into the lives of His people. Jesus showed this clearly during His ministry, and in the specific instructions that He gave His followers to cast out demons and heal the sick, in this way demonstrating the power of the Kingdom of God at work in the fallen world. As He revealed in the prayer He taught us, this same Kingdom should be revealed in and through the lives of His people. So we pray for those in need so that the ways things are in heaven will be revealed here on earth. Should God not heal immediately He will provide the extra grace and strength for us in our particular need – and walk with us as we journey through it.

4-day Individually directed Advent Retreat

Sacred Pauses

~ Treasured/transformed ~

29 Nov—3 Dec 2018

**St Benedict's House
Rosettenville**

This is an opportunity to reconnect deeply with God.

An individually directed retreat allows time to reflect on your life and to become more aware of God's ongoing invitation. The retreat is in silence and you meet with your director once a day to talk about your particular journey with God. The 4-day retreat is ideal for beginners and for those who do not have time for a longer retreat.

The retreat direction team, led by Sue Tinsley, is trained and accredited by the Jesuit Institute School of Spirituality.
