NOTES: 1. PROJECTIONISTS: Please be at Church at least **30 minutes before the service starts**. This will enable you to go through the schedule, ask about any queries – check any inconsistencies. This will remove as much stress as possible. **ALSO** the projectionist needs to record the sermon every week.

2. SIDESPEOPLE & WELCOMERS: There are 3 people on duty at every service. Please be there **30 minutes before the service starts** so that you can be there BEFORE the congregation starts arriving. Please let people know about YPC, and look out for visitors and newcomers. Please make sure EVERYONE wears a name tag. This helps the priests when serving communion. **Please ask friends to join this vital ministry.** The easiest way to get people involved is to invite them to do the ministry with you – and soon they will be confident to do it on their own. We need more people to be involved!

3. TEA: Please remember that the tea, coffee and cremora are in the Priests Vestry. You need to collect the tins before the service, and keep them with you during the service. After the 'tea' please return the tins to the priests vestry. If we don't do this – we have found that the stuff disappears – and it seems to happen during the services.

We need more people to do come on to the team for this service. Please could you all ask around and see who we can get to come on board 😊
